TOMORROW'S MEMORIES . . .

Konrad,
I've really enjoyed having substitutes
in the classes
that I have instead of
you. Just stop your eyes from
working around the room! (Just kidding about
your eyes, I miss you to some extent, everyone else)
Good luck,

Konrad,
We've had some weird & fun times. (+ to think that it all started in Sunday school!)
Remember when we all went over to

SOUTHERN HIGH 1978

Dances and parties are a big part of our lives at the moment with sports and activities running close second. They will still be with us after we graduate, but they will never quite be the same. Wondering what life after high school is like is starting to enter some seniors minds, but while they're wondering, they're still having fun being young.

Kondra,
Excuse the
spelling but I
was so excited about
signing your yearbook
that I almost fainted.
I love you Kondra and
I do. Remember the bus rides
to and from school oh yes
Someone may feel that we are
but we know! Don't forget me,
but how can you. I'm such a Honk!
You belong to me.
Love ya and you're such a
muchacks! See you next
year and don't forget
me over the summer. Hope
we can last that long!

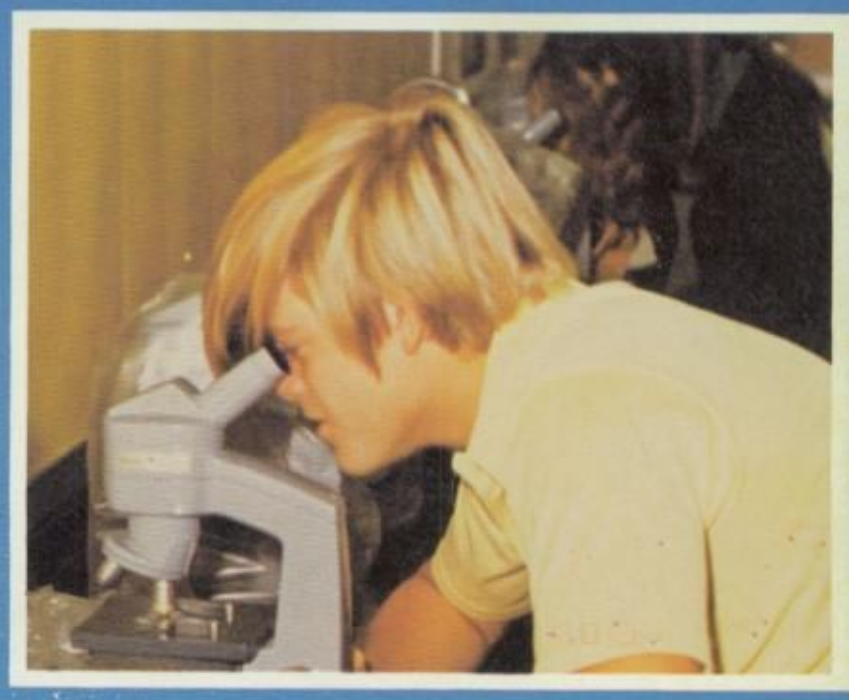
"Shady 80"
We are the best.
There is no maybe
'Cause were the class
of '1980"



As each day enfolds, our carefree and ageless attitudes show this is, as we are constantly told, the times of our lives. We live in a world of tests and assignments which will be transformed into jobs and responsibilities much too soon. Car payments and expenses seem so monumental right now but we haven't realized their full potential.

If I am I, because I am I,
And you are You, because You are You,
Then I am and You are.
But if I am I, because I am I,
And You are You, because I am I,
Then I am Not and You are Not.
Rabbi Medel of Kotzk

The stream had grown up, so that it was almost a river, and being grown up, it did not run and jump and sparkle as it used to do when it was younger, but moved more slowly. For it knew now where it was going, and it said to itself. "There is no hurry, we shall get there someday."

Winnie-the-Pooh

I know I did it.

Thank God it's time to go.

Along with the same responsibilities that come with every new school year, this year's faculty at Southern had a new one. The added load of not enough time. With the opening of a new school, Southern faced split sessions and shortened periods. Under the guidance of Mr. McClenahan, Southern's faculty held up to this new problem and were able to adjust with it.

Any student who would want to express themselves visually would easily find just the right art class to suit their needs. The art program contains the usual studio classes of painting and drawing and sculpture. However, students can also enjoy creating in a workshop environment for the craft areas including ceramics, textile design, fiberwork and others. And for those who enjoy the graphics area, the art department offers printing and photography classes. Thus, a visually creative person at Southern should be able to find just their "cup of tea" to develop their ideas in.

The Business Education Program provides all students with the vocational knowledge and skills needed for beginning employment and for advancement in a business career. The program helps the students to cultivate the skills and attitudes that will enable them to adapt successfully to a business environment.

Two broad objectives of the Business Education Department are to help all students understand those phases of business that affect every person and to offer specialized instruction for those preparing for business occupations.

At this year's PTSA Back to School Day, the Math Department had several unique presentations. Mrs. Palumbo's classroom was transformed into a metric metropolis with tapes, filmstrips, and posters indoctrinating unsuspecting parents in the ways of the metric system. She even baked a cake using metric measuring devices. Mr. Grace held an open house to demonstrate to parents how the individualized process of learning is applied in a unified math class. Mr. Gott and some of his students invited parents to solve problems in applied mathematics after which the students presented and explained the solution to those problems. Mr. Garton presented the overall math department philosophy and direction to still another group of parents.

There have been three new classes added to the Science curriculum this year and a few other minor changes. These classes include: Oceanography, Human Biology and Astronomy. More marine animals have been brought in. They are living in the salt water tanks. This is one of the main attractions in the science department. Because of split sessions, three teachers have been dropped from the Science program. A new teacher has come to Southern. His name is Mr. Brian Allgaier and he is a ninth and tenth grade Science teacher.

There are few changes in the Social Studies department this year. Due to lack of interest, quite a few classes have been dropped from the curriculum. These classes include: Urban Geography, Black Studies, Afro American History, Conflict in World History and Advanced Placement. The split session program has had some effect on the Social Studies curriculum. Approximately half of the History departments faculty is no longer there, other than that there have been no other major changes.

There have been no new English courses added. There was only one class dropped due to lack of participation. That course was Play Production. The English department received a grant from the government for the (RIF) program. This program will begin in the spring. It consists of a bookmobile that will be coming to Southern. The ninth grade students will have access to free books, with which to improve their reading skills. Also there will be lectures for the students on how to improve their reading skills.

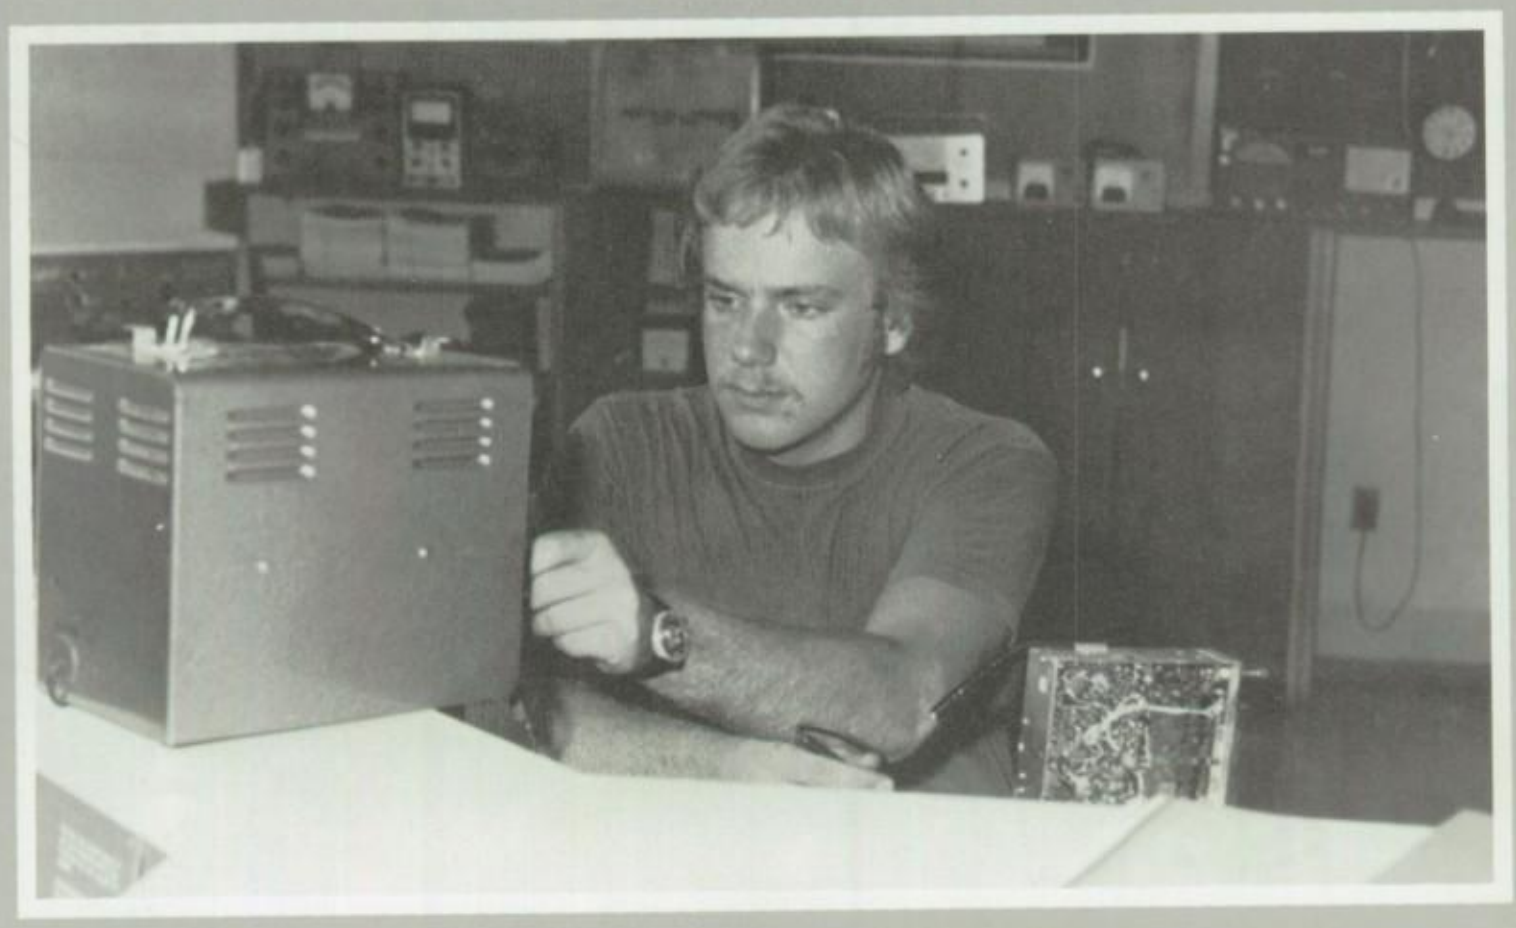
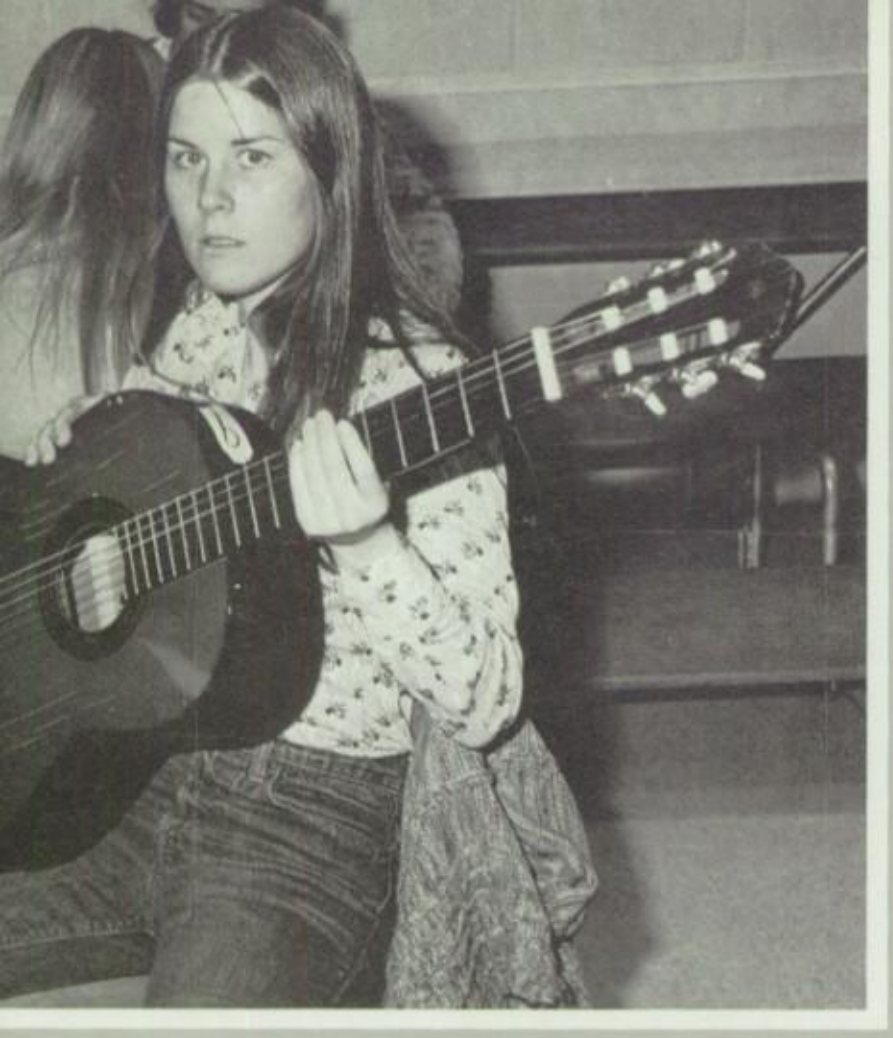
SENIORS AT THEIR BEST!

Mike Kelly thinks he sees land.

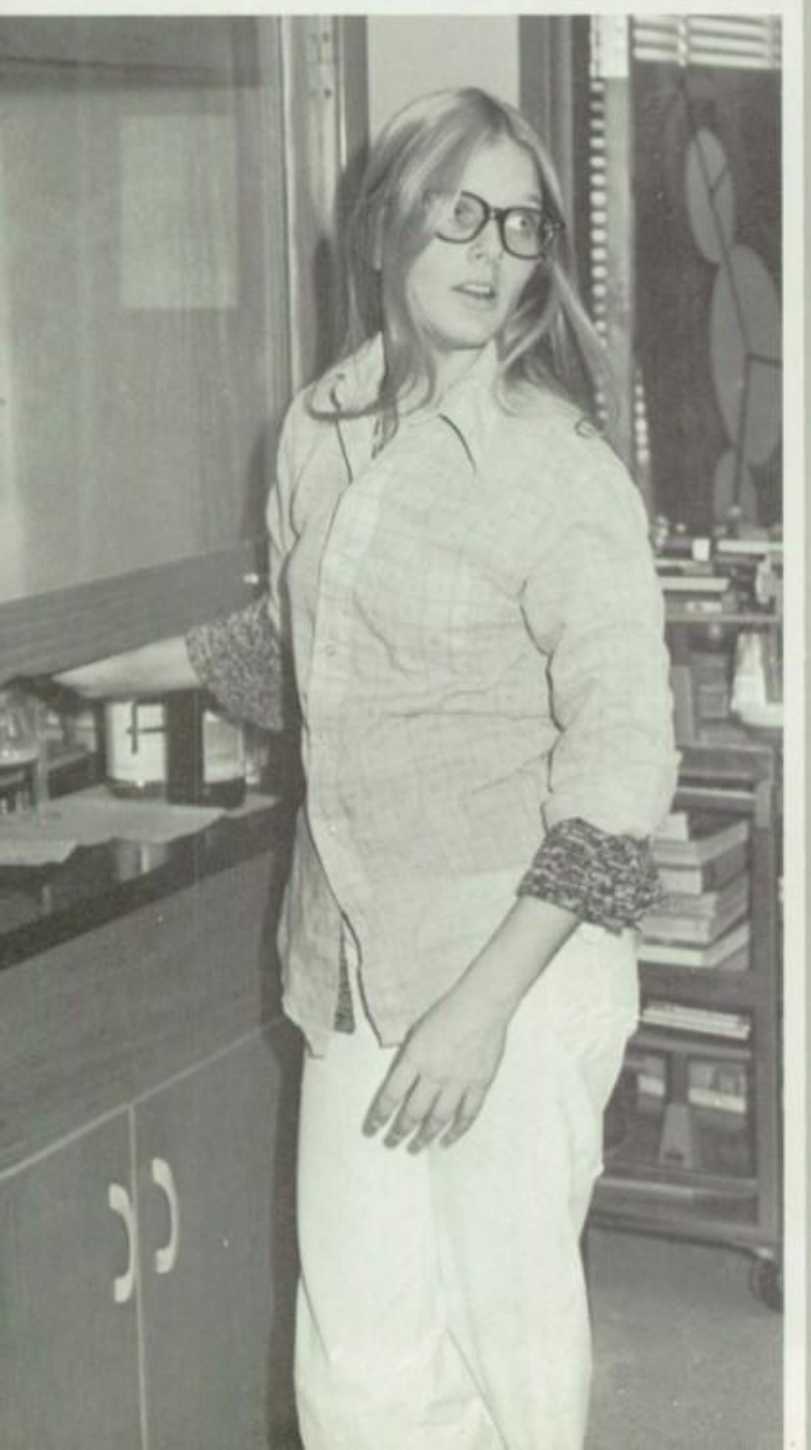


"Now if I turn this knob, Southern should blow up and solve all my problems", thinks Jeff Baker.



Dana Miller shows everyone her secret weapon.

Phyllis Green pauses from making her atomic bomb in chemistry.



You can usually tell a Senior at Southern. They are the "old people" and attitudes show it. Some have heated schedules and some have easy ones but all are trying to enjoy their final year. They're trying to make this their best year at Southern since they've already spent three years working their hardest. Next year they all will be gone and only their memories and hopes will remain.

John Rea

Do you know a senior who is always smiling and joking around. Another clue? Well he was a varsity letter winner in soccer and lacrosse. Another clue, he was the winner of this years Ugly Man Contest. You guessed it! It's John Rea! He is involved in many activities including Yearbook and Watertower staff, Student Council, and Ski Club. John loves his mothers lasagne and crossword puzzles. He is hoping to make the All-County Lacrosse Team this year.

Wendy Taylor

Wendy Taylor came to Southern as a freshman and an honor student. She has been in the National Honor Society for three years; this year she is co-treasurer. She is also senior class vice-president which is a follow-up from being last years junior class vice-president. Some of her other activities include being co-editor of Echoes yearbook, a member of the Ski Club and the Chorus, and being a three year member of Keck's rejects. With all this going for her, it's no wonder Wendy is an outstanding senior.

In Memory of George G. Dearth

SEA FEVER

I must go down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by;
And the wheel's kick and the wind's song and the white sail's shaking,
And a gray mist on the sea's face, and a gray dawn breaking.
I must go down to the seas again, for the call of the running tide
Is a wild call and a clear call that may not be denied;
And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume, and the sea-gulls crying.
I must go down to the seas again, to the vagrant gipsy life,
To the gull's way and the whale's way where the wind's like a whetted knife;
And all I ask is a merry yarn from a laughing fellow-rover,
And quiet sleep and a sweet dream when the long trick's over.

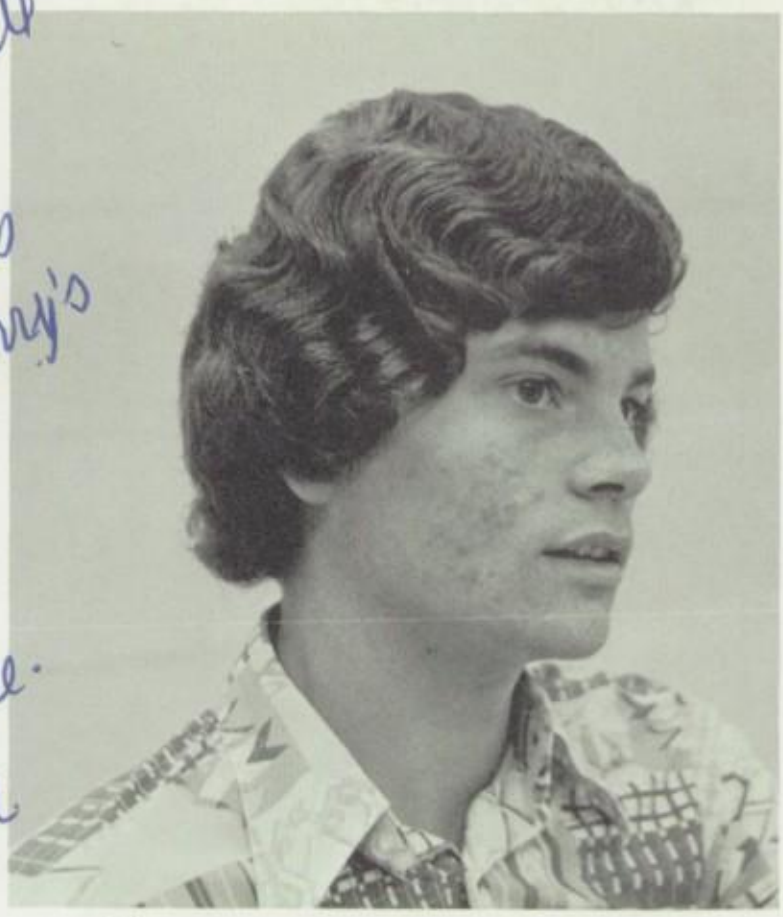
JUNIOR OFFICERS

FROM TOP TO BOTTOM: Norma Harrison, Sheril Medly, Mrs. Palumbo (advisor), Leigh Parks, Laura Rodgers.

The Juniors have worked very hard and have been very active in their functions this year. They have had candy sales, doughnut sales, and bake sales to raise money for the Junior-Senior Prom to make it a success. Under the guidance of Mrs. Marian Palumbo they have showed leadership and independence in taking on many responsibilities. These qualities the juniors are learning now will help them throughout their careers and lives. We hope they carry these and many other memories from Southern with them.



John is ready, willing and able when the Junior class, or the Christmas bazaar, on the yearbook or newspaper needs help. Sports make up a large part of John's schedule. He was a key player in many successful soccer plays this year, and of course some that weren't so successful. Sykes became sports editor of the "Watertower" this year and if that was not enough, he also teamed up with John Rea in laying out the sports section of Echoes '78. With all these activities keeping him busy John still does well academically, consistently making the honor roll and also is a member of the Honor Society.

John B. Sykes

Laura seems to always be there when she is needed and is extremely useful. She has devoted much of her time and efforts to Junior class activities. She is much more than just the Junior Class Treasurer; she is our best and most energetic salesperson. Laura is a pleasant person and a mature young lady.

SOPHOMORE OFFICERS

FROM LEFT TO RIGHT: Doug Bishop, Mr. Smith (advisor), Steve Junta, Sally Fries, Barbara Collinson.

The sophomores have come alive this year with fund raising events. With the guidance of Mr. Leon Smith and the ample leadership of the class officers, they have become an involved organization at Southern Senior High School. The sophomores have displayed good enthusiasm, friendly dispositions, and cooperative attitudes during this school year. We all look forward to 1980 which will be climaxed by a memorable senior year.

In Steve's freshman year he was freshman class president as well as continuously making the honor roll all four times. In repetition of last year, Steve is sophomore class president. Steve has been playing the trumpet in the school band for the past two years and enjoys it thoroughly. Steve's favorite food is lasagna and his favorite sport is football. Steve has really been active with the sophomore class and plans to continue to do so.

Stephen E. Junta

Cheryl is only a sophomore but already she's accomplished so much. As a freshman she was in the Ski Club and French Club. This year Cheryl is very active with the Sophomore class, belongs To The Afro-American History Club, and shows her school spirit by being a cheerleader. Following her footsteps of last year, Cheryl was appointed First Vice President Officer of the Junior Auxiliary across the United States. Cheryl plans to go to college and become a doctor.

ACTIVITIES ARE ALIVE AT SOUTHERN

"Maybe if I pull my ear I'll sing better," thinks Gigi Paddy.

"I have such a headache", is Margie Nichols reply.

Our friendly Christmas Elf, Sandy Fairbanks.

I wonder which one weighs more.

Southern's activity department is one of the better parts of the school life. Many of the activities are class oriented for example Marine Biology Club and Horticulture Club. Some of the others are National Honor Society, Concert Choir, Band, FFA, Pom Pom squad and Cheerleading. Many of the sponsored activities include Homecoming, Christmas, Sweetheart Dances, Christmas Bazaar and Plant Sales.

Southern prides themselves on their activities and hopes everyone got to participate in at least one activity this year.

The play concludes with a miracle, Amahl offers his crutches to the new king as his only gift. He then can walk.

The beauty of the story is in its simplicity.

Although the entrances and exits of Sneakers D., the cat, Poncho B., the parrot, and the roosters, Boris and Baby were not as smooth as they could have been, it should be pointed out that they were all starring in their first acting roles.

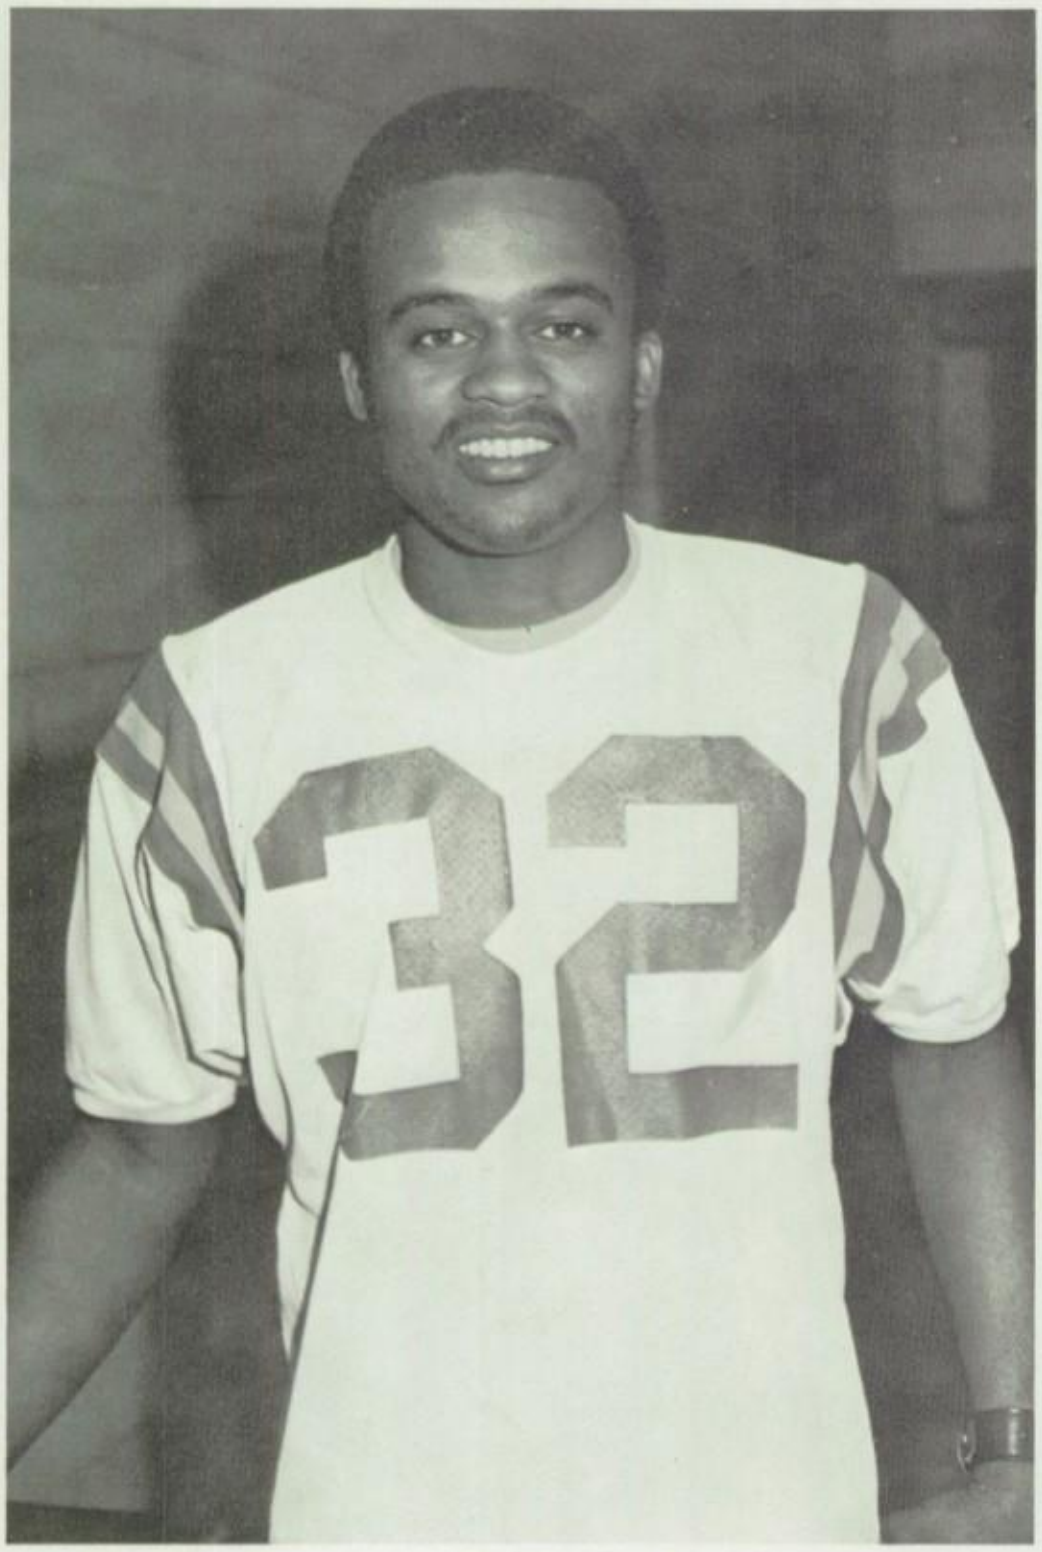
OUTSTANDING SENIOR ATHLETES



Debby Early played with extreme determination at all of her sports. She has lettered in volleyball, basketball, and softball. Debby has proved without a doubt how talented she is in sports. Debby played 3 years of Varsity Basketball, 1 year of Junior Varsity Volleyball, 2 years of Varsity Volleyball and 3 years of Varsity Softball. She has played such positions on the Softball team as relief pitcher and third baseman. She was also a starting guard on the Basketball squad. Even though she broke her collar bone in the 77 season of Softball, she came right back to play outstandingly in her Senior year in all of her sports.

Mo Smith lettered in two sports during his years at Southern. These sports were basketball and football. He was the Captain of both the squads in his senior year. As a junior, Mo Smith was Honorable Mention All-County on the basketball team. He was named to the First Team All-County for football in his senior year. Smith played safety, runningback, and even quarterback on the football squad. He also started as guard and forward on the basketball team. Smith created plenty of excitement with his interception returns and his jump shots from outside the perimeter. Mo Smith is one of the best athelete's Southern has ever had in football and basketball.

The 1977 Varsity Football team had an outstanding year with 6 wins and 4 losses. Southern was led by speedster Marvin Sesker who rushed over 1,000 yards. Jody Osterman and Arthur Foote opened up big gaps in the offensive line. Paul Acito was play caller until the Old Mill game, then Captain Mo Smith took over the quarterback slot and opened up the passing game with receivers Craig Dixon and Victor Moulden. The defense was superb all year. Led by deepbacks Smith, Sesker, and Ron Stuart. Linebacker Paul Noone and defensive linemen Osterman, Rito Sellman, Julius Simms, and Tony Williamson played outstandingly. Because of the small squad, many players had double duty on both offensive and defensive units. The Varsity team hung in there and to their credit, they brought a winning season for Coach Gardner and to Southern.

Coach Beckett, Headcoach Keyworth, and Coach Dunn.

The 1977 Junior Varsity team had an excellent season by going undefeated, 10 wins and no losses. The Jayvees exerted a great deal of power under the new personnel: Assistant Coaches Beckett and Dunn, and Headcoach Keyworth.

The J.V. squad was led by the running of Brian Moulden who rushed over 1,000 yards for only playing 9 games. Sonny Ellis did a fine job at quarterback and in the kicking department. Alan Argent and Donnie Dove also were fine runners. Ron Klonistko turned out to be Ellis' favorite receiver. On the offensive line Konrad Wayson, Jay Haines, and John Collinson paved the way for the runners. On defense, Dennis Ward stood out for his numerous interceptions and his hard play. Chris Rice, Ron Travers, and Daniel Riggs put the crunch on opposing teams on the defensive line. Billy Cochran played well in the linebacking slot in plugging up the holes. Alot of hard work went into this season and every member of the squad should be congratulated on their outstanding year.

VARSITY SOCCER

The 1977 Varsity Soccer team was one that did not meet expectations. The team had many fine athletes, but few had game experience. The team had 3 returning lettermen in the persons of Hillory Dean, John Sykes, and John Rea. The teams' inexperience showed in the fact that the team average only .63 goals per game. The teams' hustle and determination showed in the fact that the team relinquished only 3 goals per game. The Bulldogs lost 4 games by a total of 7 goals. With an earlier turnout, and more support, the Bulldogs may have had a very successful season. After a three year drought, this year's soccer team tasted victory.

This year's linemen consisted of Kirk Clark, (Serro) Steve Curro, John Sykes, and John Rea. The hustling halfbacks were Scott Lee, Pat Graham, Mike Hemminger, and 3 year Captain Hillory Dean. The stingy defense was headed by Mike Kelly, Jim Collier, and goalkeeper Chris Hopkins. Above average performances were received from Rock Johnson, Steve Nolan, Bill Brooks, Toni Spain, Mike Lytle, Dan Klonitsko, Vince Chick, and Nick Nicol. Though injured, Tim Kelly provided a capable statistician, supporter, and trainer.

Special thanks must go to Mr. Greg Carroll for his coaching prowess, time, and patience. The future soccer teams look to be successful.

J.V. SOCCER

Darlene Jones, Sherry Goodwin, and Dawn Bartel cheer from the sidelines.

The 1977 Junior Varsity Soccer team was led by the offensive scoring of Dennis Morral, the play-making of Captain John Rubis and the big foot of Celso Alaisa. Even though the Jayvees had a late turnout, Coach Naworal put together a squad with a great deal of spirit. If there had been a longer season the J.V. team would have had many more victories. Some good prospects for Varsity are Leroy Battle and Sherwood Gray.

VARSITY VOLLEYBALL

The 1977 Varsity Volleyball team had a very good season with 5 wins and 5 losses. The Varsity team consisted of students from Southern Senior High, Coach McKay put together a squad with a lot of team spirit. The 3 seniors on the team; Dotty and Debby Early, and Captain Tyree Edmonds were 3 of the main reasons Southern did so well. Another reason was their height advantage, which enabled them to tower over the other teams easily. Southern will have 8 returning players next year, which will make the Bulldogs a very strong team.

J.V. VOLLEYBALL

The 1977 Junior Varsity Volleyball team had an outstanding year with 6 wins and 4 losses. The Jayvees coach, Judy Keck, told the players that they would have to want to win in order to get victories. Her advice proved to be right, causing the Jayvees to play as a team with a tremendous amount of spirit. The J.V. squad was led by Captain Chris Kennedy and Binky Mason because of their hard play. The Jayvees were all from South River High and will not return to Southern next year.

Dennis Ward from the outside.

The 1977-78 Junior Varsity Boy's Basketball team provided immense excitement during the season. Under the direction of Coach Gott, the Jayvees were always in the game. They were led by Captain Dennis Ward with his outside shooting, the rebounding power of Eric Owens, and the inside maneuvers of Brian Moulden. One of the main reasons the J.V. team did so well is because of their ability to play as a team. The Varsity squad should be able to pick up some fine talent next year from the Jayvees.

The 1977-78 Varsity Basketball team had a very good season with 15 wins and 10 losses. Southern finished No. 2 in Class AA in this County. They were only 3 points away from going to Cole Field House for the State tournament.

The Varsity team under the head coaching of Thomas Albright was lead by the strength of Kevin Owens, the quickness of Mo Smith, and the finesse of Craig Dixon. The Bulldogs backed by an enthusiastic cheering section, were in almost every game. They especially played better at home.

Craig Dixon and Kevin Owens had excellent seasons, both scoring over 300 points each. These two were the mainstay of the team this year. Southern will be losing 4 seniors: Rito Sellman, Mo Smith, Kevin Owens, and Craig Dixon. Yet Southern will have 6 returning players: Brian Smith, Fred Booze, Purnell Jones, Tom Sharps, Gerald Thompson, and Walter Nick.

Next year Southern should once again be a contender but in Class action.

Debby Early from her favorite spot.

The 1977-78 Varsity Girls Basketball team came within one game of going to the County playoffs. The girls were coached by Linda Kilpatrick. The Varsity team was led by All-County first team player Sharon Thompson because of her scoring and rebounding power. Yvette Phillips was the No. 2 scorer on the team. Senior Debby Early put on a good display of offense from her outside shots. But most of all, the Varsity squad played together as a team. This let everyone participate in the winning season. With a great J.V., team, the Varsity squad should have a winning season next year.

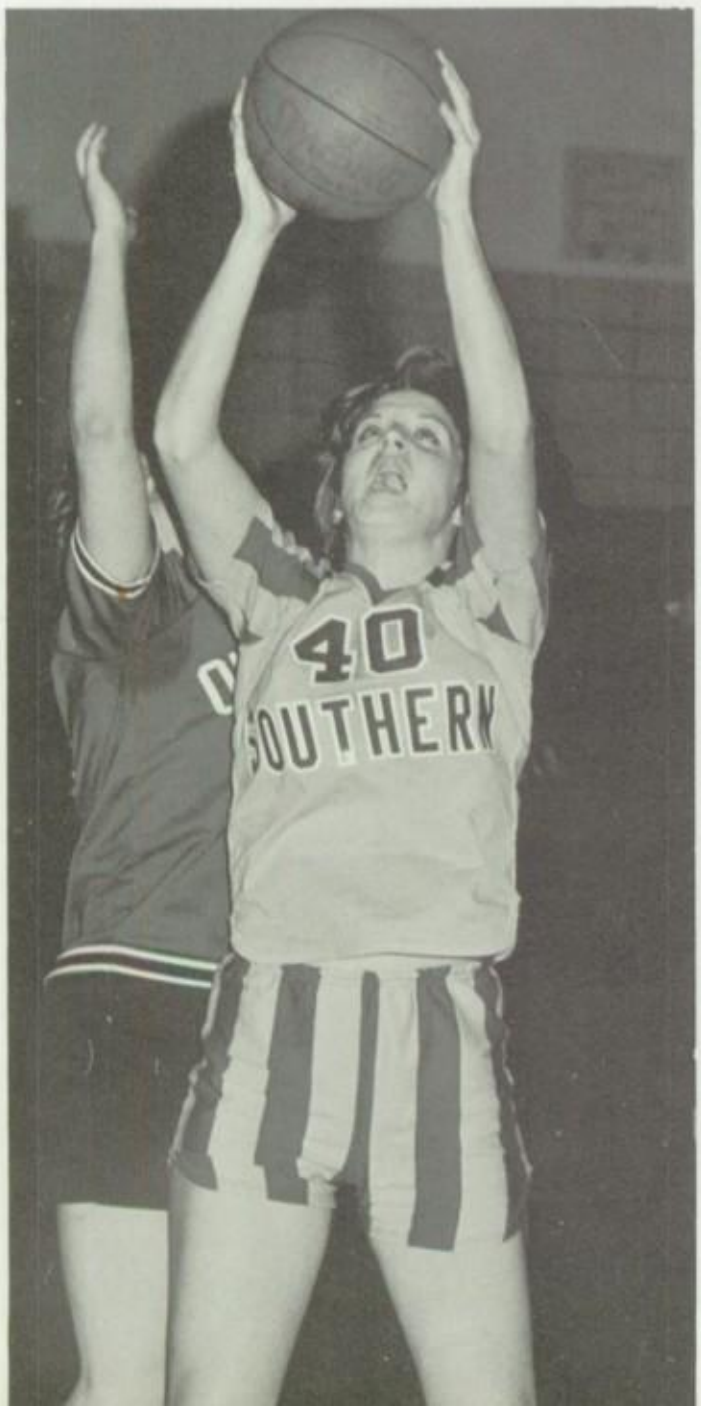
Dee Dee Young hauls down a rebound.



To Coach Konrad
one of the best actors I have seen at Southern High I hope that you will continue acting so that someday you may become a "STAR."
Good luck Konrad and come to some of our B-Ball games next year.

The 1977-78 Junior Varsity Basketball team had an excellent season by finishing No. 1 in County. Under the direction of Coach Donahue, Southern used a running offense to open up the high scoring. The Jayvees played together as a team which developed them into their winning ways. The Varsity team should get a lot of outstanding talent for next year from this super squad.

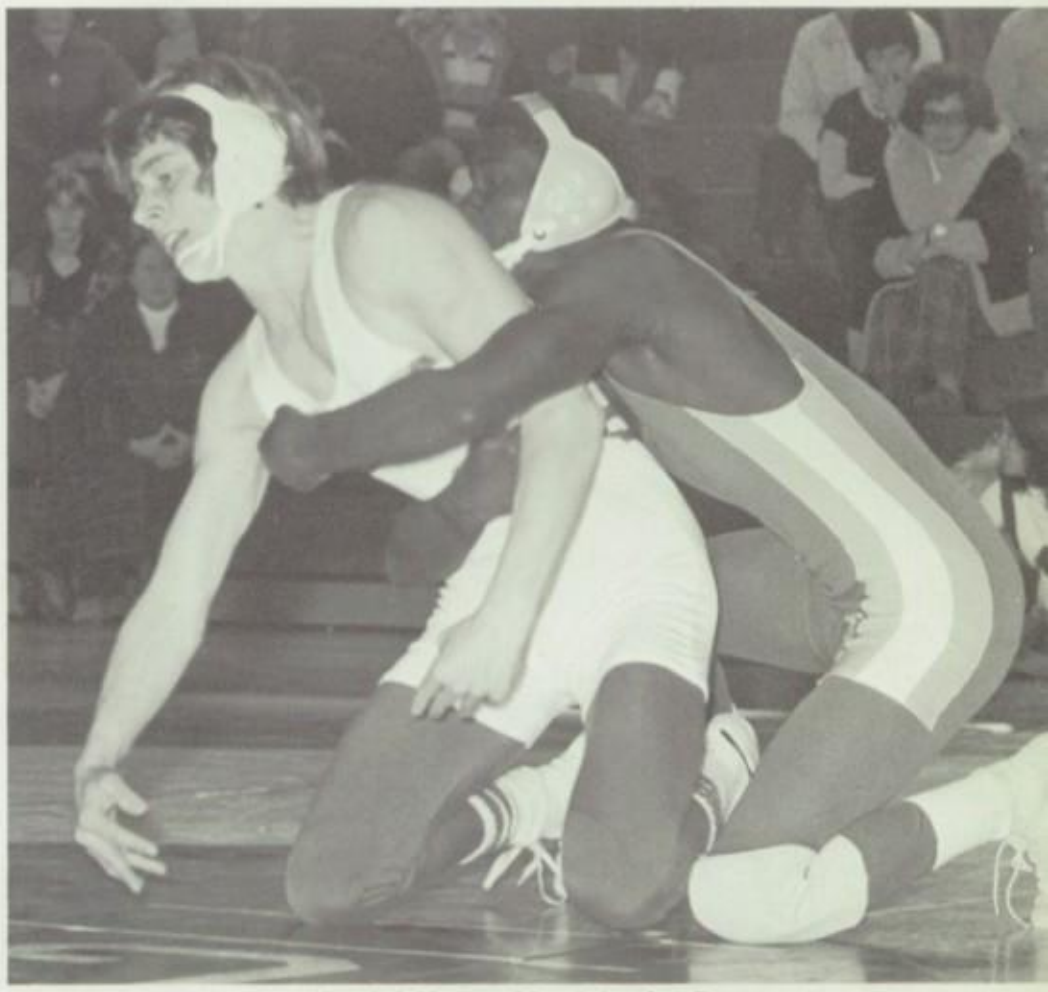
The Wrestling team greets Keith Brezina after his victory.

The 1977-78 Wrestling team had a disappointing season record-wise with 3 wins and 11 losses. Yet there was some bright spots. Captain David Riggs was No. 2 in the State and Cordell Young was No. 3 in the State in their respective weight classes.

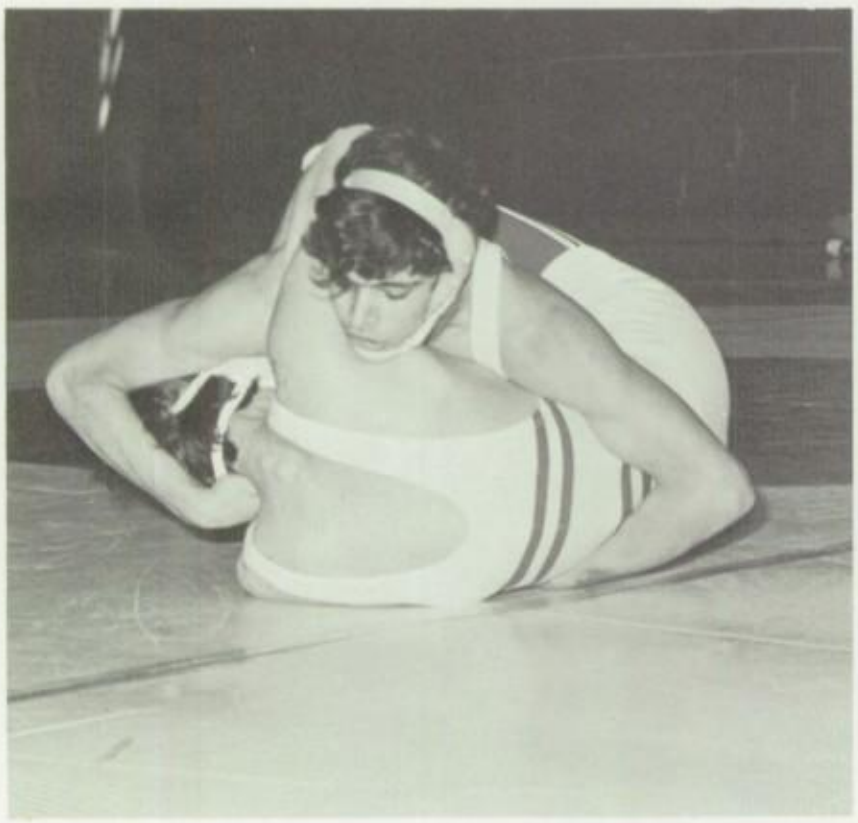
The squad put together exciting action for the few spectators who came. Under the direction of Coach Dennis Liddy, the Wrestling team never gave up.

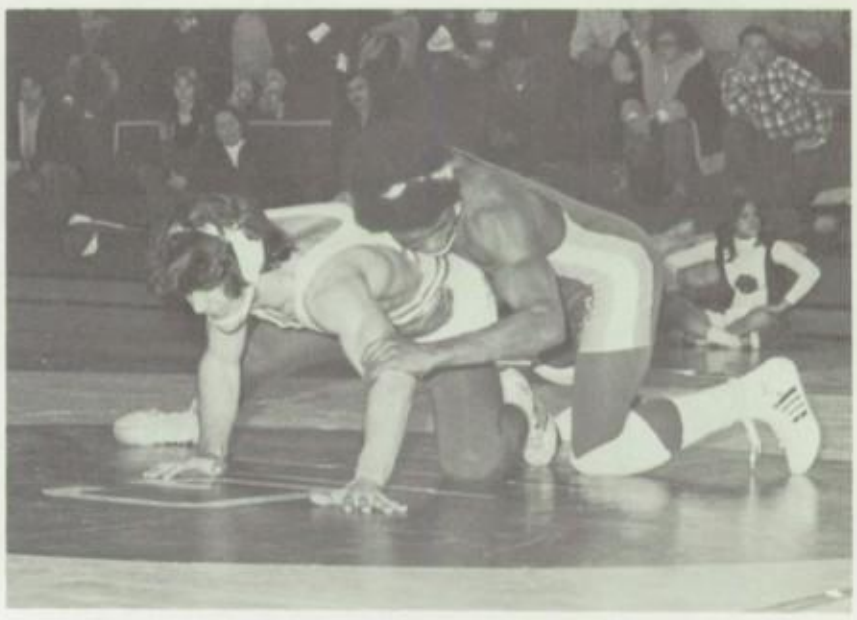
With some luck the Wrestling team should have a much better season for Southern next year.



Cordel Young No. 3 in the State.

Ron Klonistko gets the best of his opponent.





David Riggs No. 2 in the State.

GYMNASTICS

The 1978 Gymnastics team had been working out all year in order to get ready for the 78 season. They are under the supervision of Coach McKay. The Gymnastics team will have five returnees: Sandy Boerum, Lynne Stevens, Debbie Riddle, Holly Heintz, and Julie Schellion. Ted Marshall also should prove a dominant figure in the men's competition.

Coach McKay should have very good performances from her team as in years past.

The 1978 Baseball team's season looks good with new coach Charles Grace. After finishing 2nd last year in the State of Maryland, the Baseball team has a tough act to follow.

The Bulldogs have returning pitcher Kevin Doyle, and outfielders David Riggs and Billy Brooks. They will try to keep the young team together from their past experiences.

The Baseball team will give Southern something to cheer about for years to come.

Blair Allen shows everybody how it is done.

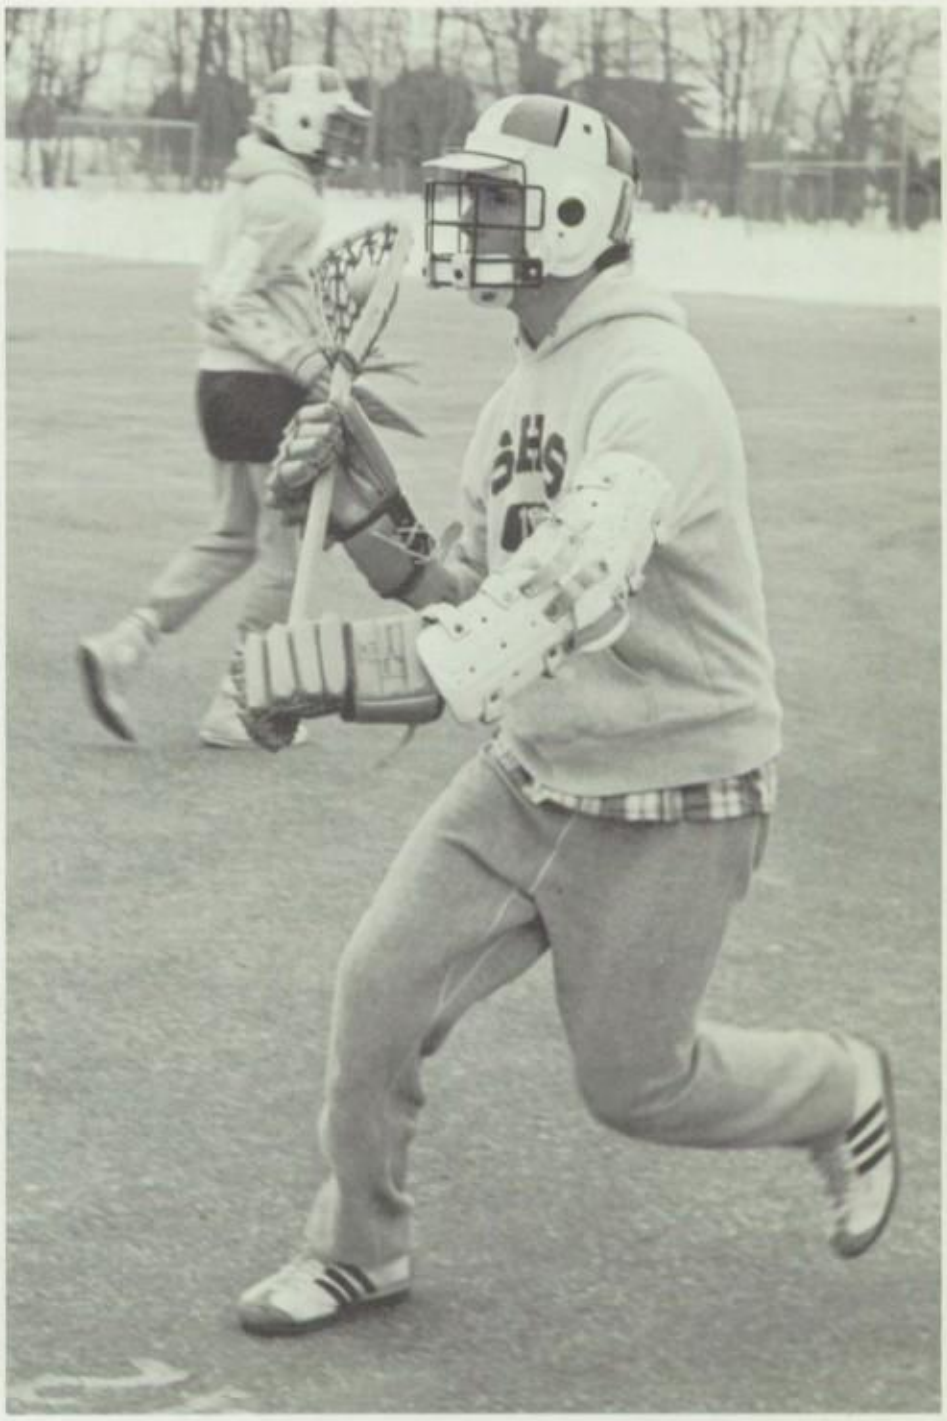
The 1978 Lacrosse team are looking for high hopes for the coming season. Under the direction of Coach Dick Keck, the Lacrosse team will be extremely aggressive and a high scoring team.

They will be led by Captains John Rea, Robert Witt, and Scott Davis. Many of the players are full of determination that Southern should win many games. With some good offensive power and a decent goalie Southern should be in the thick of things in County league action.

Herman Robertson wings one.



David Schreiner on the move.

Coach Keck shows us how to do it.

Standing from left to right: Coach Kilpatrick, Leisha Stallings, Yvette Phillips, Debby Early, Dale Perry. Kneeling from left to right: Kathy Lester, Kim Juckett, Barbara Bowen, Dotty Early.

Under the guidance of Coach Kilpatrick, the 1978 Softball team hopes to have winning season for Southern.

The team has a tremendous amount of strength behind them. The root of the team is Seniors, Debby and Dotty Early; and Juniors, Leisha Stallings, Yvette Phillips, Dale Perry, Barbara Bowen, Kathy Lester and Kim Juckett. The squad should have an exciting and victorious season.

Kim Juckett makes the play.

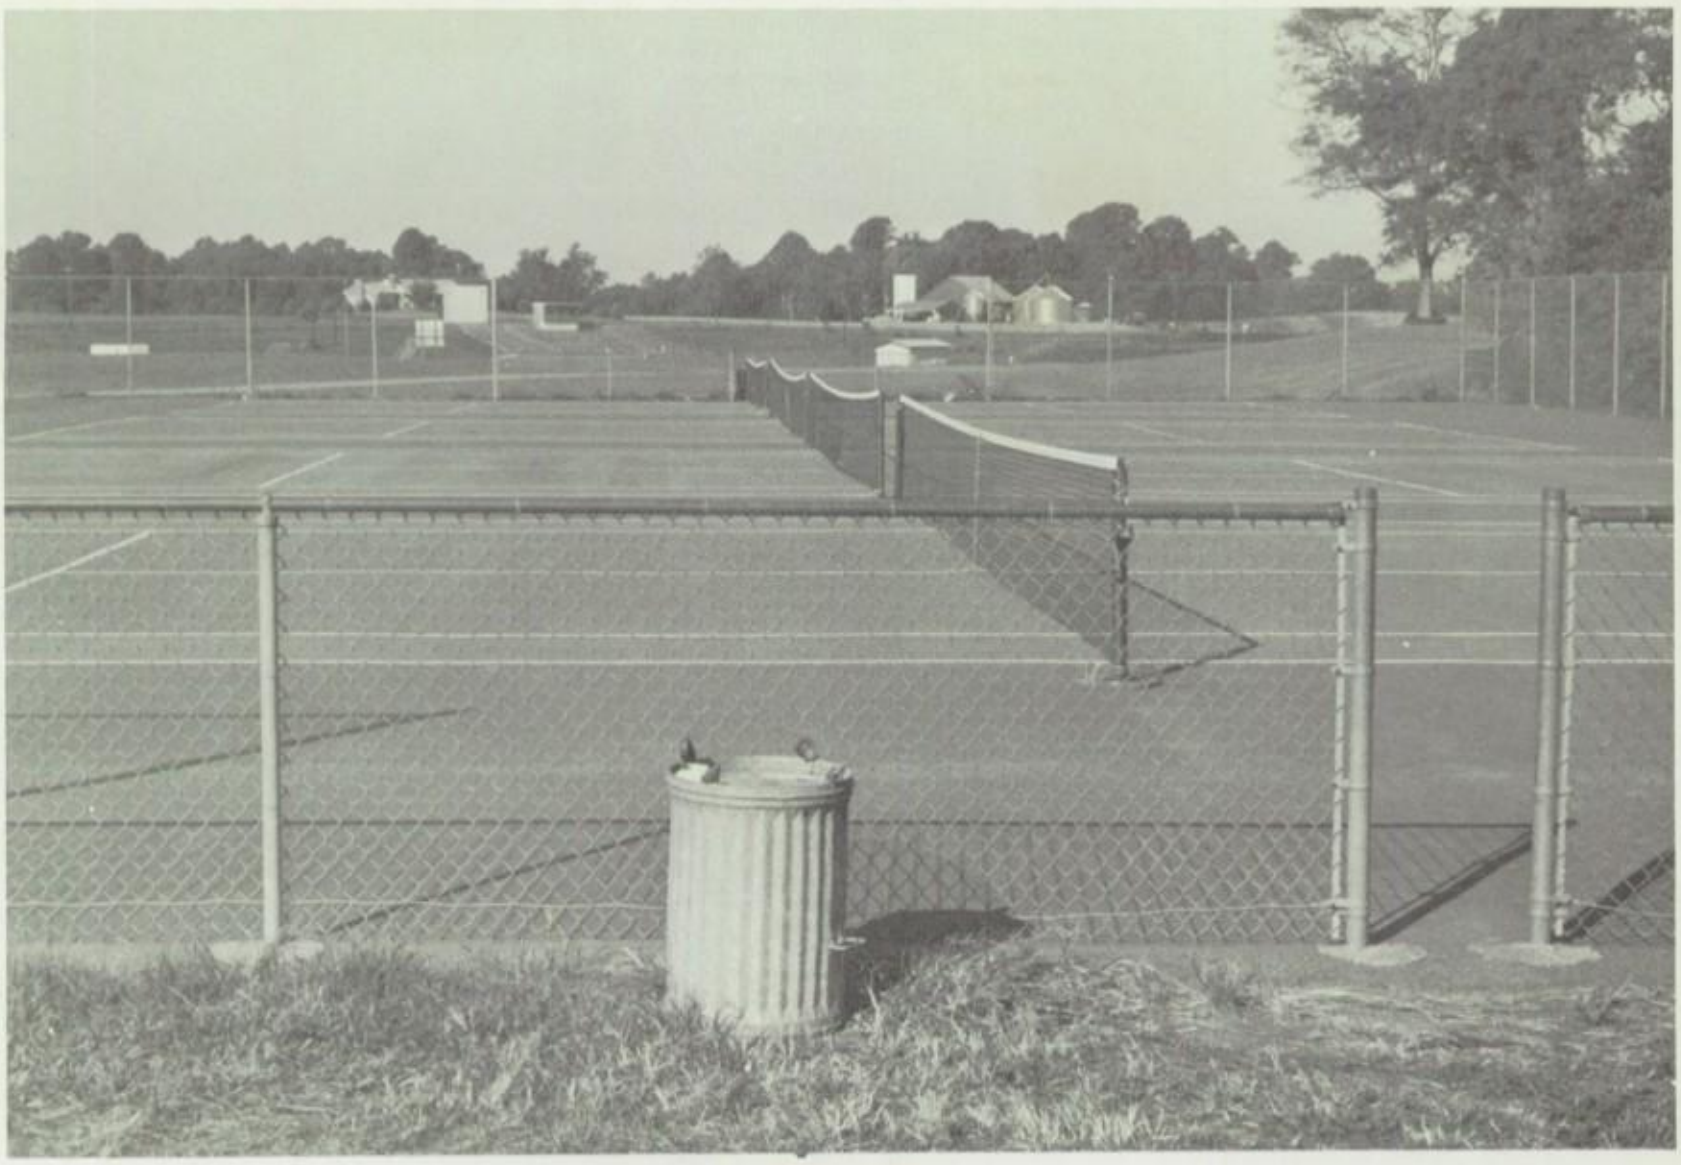
Tennis is a breeze thinks Aaron Milheim.

The 1978 Tennis team appears to have a very sound squad for the season. They are coached by Robert Naworal. The tennis team is led by two returning boys: Konrad Wayson and John Sykes and three returning girls: Donna Miller, Terri Lane, and Darlene Treiber.

Some good prospects for the Varsity team are: Gary Blevins, Carl Franklin, Paul Acito, Leanne Bell, and Randye Blacker.

The Southern tennis team should have a good season with some luck.



An unusual sight.

Sherry Fountam is all set for pratice.

Joan Hawxhurst gets into the swing of things.
